	CONFIDENTI	2
•		25)
	The Berbara Kaserne, which appeared to be about 50 percent occupied, still quartered troops who were blue-tordered black epaulets. No training activity has noticed. Ten officers and 30 ff marched to the main railroad station and boarded a massenger train beaving toward Bad Kossen on 5 May.	
(1B) [25
6. 1X	On 17 May, a troop train of 25 flatenra, loaded with about 50 trucks was observed at the Maurburg Freight yard. The shipment was guarded by soldiers who were red-bordered black epaulets.	
25X1A .	Comment. Conclusions as to the occupation of the barracks installations in Naurburg were node in a previous report. The information in the present report on troops departing by rail indicates that further headquarters units of the XXIX Ods Mtz Rifle Corps and elements	25
	of the 57th Gds :tz Rifle Div moved to the Kindel troop training grounds. previously mentioned a major	
	brook movement between at and se print asset	25
